#### Age categories

Children under the age of 6 (ID required) travel free of charge if accompanied by a parent. Exceptions to this rule are the areas of Aela, Cristins, Provulèr, San Spiert/Languard, Survih, Mùsella and Bùgls. Children aged between 6 and 12 (ID required) pay the children's tariff. Adolescents aged between 13 and 17 (ID required) pay the adolescent tariff. From the age of 18, the adult tariff applies.

The date on which the ticket is issued governs the allocation to an age category. Exception: If, in the case of 2 and 3-year season tickets, the next higher age category is going to be reached while the ticket is valid, the higher price is already charged when the ticket is sold. Example: If a 12-year-old child wants to buy a 2-year ticket before his 13th birthday, the tariff for adolescents will already be applied.

A valid identity document or card with a photo must be available to show to the mountain cableway staff if requested.

#### Group discounts

From 15 tickets at the **adult, adolescent and children's tariff, a group rebate of 10% is granted**. The tickets must be valid for the same period and from the same date onwards. There is only entitlement to the rebate if all the tickets are ordered 24 hours in advance in writing from the issuing counter of the mountain cableways.

#### ENGADINcard (data-carrier for tickets)

The ENGADINcard is issued for a price of CHF 10.-. It will be bought back by any issuing counter for CHF 10.- if the the ENGADINcard is neither signed nor damaged.

Subject to changes in price and services.
